MANAGERS CORNER

As school has started, watch out for the children walking. Parents please remind your children to walk at the side of the road going to and from the bus stop. Also while waiting for the bus, kids should not be blocking the travel path of cars.

It has been a great season for the pool, but as of September 5th at 8 pm the season is done. Weather permitting pool will be open till 5 pm.

Our last BBQ again had a great turn out, thanks to all those that came! See ya next summer!

I would also like to thank those ten residents who did the Lead and Copper test for our water system. Again the results were great! Thank you again!

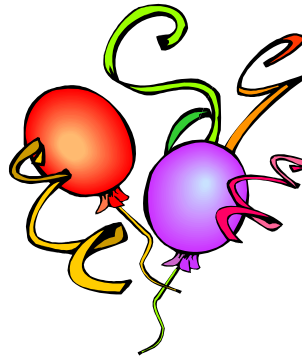

If you didn't already do so, you still have time to check your oil tank for leaks, rust, and painting!

Trash will be picked up on Labor Day.

HURRICANE IRENE STORM DAMAGE

We were very fortunate over all and escaped with very few problems from the storm.

Look over your site and look up into the tree canopy for hanging branches, broken limbs etc that could become a fall hazard and report them to the office.

Please bring any limbs that came down in the storm to the road side for pick up. If Limbs are too large and need cutting before moving them please contact the office.

YUMMY APPLE TURNOVERS

Delicious as they come and the kids can help you bake them.

Ingredients

- 1/4 cup raisins
- 1/4 cup dried, sweetened cranberries
- 1/4 cup chopped walnuts
- 1/2 tsp. cinnamon
- 1/2 tsp. nutmeg
- Premade pastry for an 8- or 9-inch 2 crust pie
- 4 small, cored baking apples
- 1 cup brown sugar
- 1 cup water

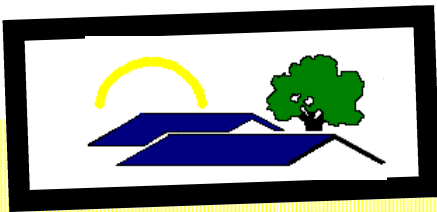

Instructions

1. Combine the raisins, cranberries, walnuts and spices in a bowl and set aside. On a lightly floured cloth-covered surface, roll out the pastry into a 14-inch square, then cut it into 4 squares. Place a cored apple on top of each square and fill the center with the raisin and cranberry mix.
2. Cover each apple with its pastry square by bringing the opposite corners up over the fruit and pinching them together. Then, seal together all of the pastry edges, moistening them with water if needed. Place the dumplings in a glass baking dish.
3. In a saucepan, bring the brown sugar and water to a boil, and then pour it over the dumplings (a parent's job). Bake in a preheated 425 degree oven, spooning the syrup over the dumplings a few times, until the crust is golden (about 40 minutes).
